AGVISE Laboratories 33rd Annual Soil Fertility Seminars

Tuesday, March 14, 2023: Canad Inns, Portage la Prairie, MB

Thursday, March 16, 2023: The Atlas Hotel, Regina, SK

AGVISE Soil Fertility Seminars cover soil fertility and plant nutrition along with other issues that currently challenge our region. The list of topics to be presented at each location is enclosed. The AGVISE Laboratories agronomy and soil science team, John Breker, Jodi Boe, and Dr. Brent Jaensich, will present along with guest speakers: Dr. David Franzen, North Dakota State University; Dr. Rigas Karamanos (retired); and Marla Riekman, Manitoba Agriculture.

This announcement has been mailed to AGVISE customers first. All others will be notified about the seminars through email about one week after this letter arrives. This provides enough time for AGVISE customers to sign up first, before others are notified. Be sure to register early because space is limited and there is usually a waiting list.

REGISTER EARLY! SPACE IS LIMITED AT EACH LOCATION!

For Certified Crop Adviser (CCA) attendees, Continuing Education Units (CEUs) have been applied for each location.

<u>Date</u>	<u>Location</u>	<u>CEUs applied for</u>
Tuesday, March 14	Portage la Prairie, MB	3.0 NM, 2.0 SW, 0.5 PM
Thursday, March 16	Regina, SK	3.0 NM, 2.0 SW, 0.5 PM

The seminar registration cost is \$155.00 USD if registered before Friday, March 3. The late registration fee is \$175.00 USD. A 10% discount is applied if more than one person from the same business registers at the same time.

Seminar registration and payment are required in advance. Registration fee includes all instructional materials, workbook, and noon lunch. Please call 701-587-6010 with questions.
