Nebraska-Lincoln; Dr. Jason Clark, South Dakota State Univ.; Dr. Melissa Wilson, Univ. Minnesota; and Marla Riekman, Manitoba Agriculture.

This announcement has been mailed to AGVISE customers first. All others will be notified about the seminars through email or the AGVISE newsletter about one week after this letter arrives. This provides enough time for AGVISE customers to sign up first, before others are notified. Be sure to register early because space is limited and there is usually a waiting list.
